Rick:

Well Rick. I've finally made it out of that school. I only hope you realize the value of an education. A Boy can't finish school after he gets married like I did.

I only wish we can stay real good friends as well as sis. and brother-in-law.

Remember all the talks we had? I hope you have kept them in strictest confidence.

Be good and come see me in Long Beach. If it won't give you the "Big Head" I'll tell you that you are the cutest of my brother-in-laws
